

McPhee Red Angus

Dear Friends,

Welcome to our 2017 Production Sale.

McPhee Red Angus is a family owned and operated ranch. We have been raising Red Angus for 46 years. We run our cowherd like a commercial herd, our cows work for us. We strive to provide our customers with cattle that will work for them and turn a profit. Our cows run in the Sierra foothills with their calves in the winter and come to irrigated pasture in the summer before calving again.

We are really excited about this group of cattle. We have some McPhee Trophy 36 calves for you to choose from, along with our other outstanding herd sires. These young bulls have cutting edge genetics and breed leading performance. Take a look through the catalog, there is something for everyone.

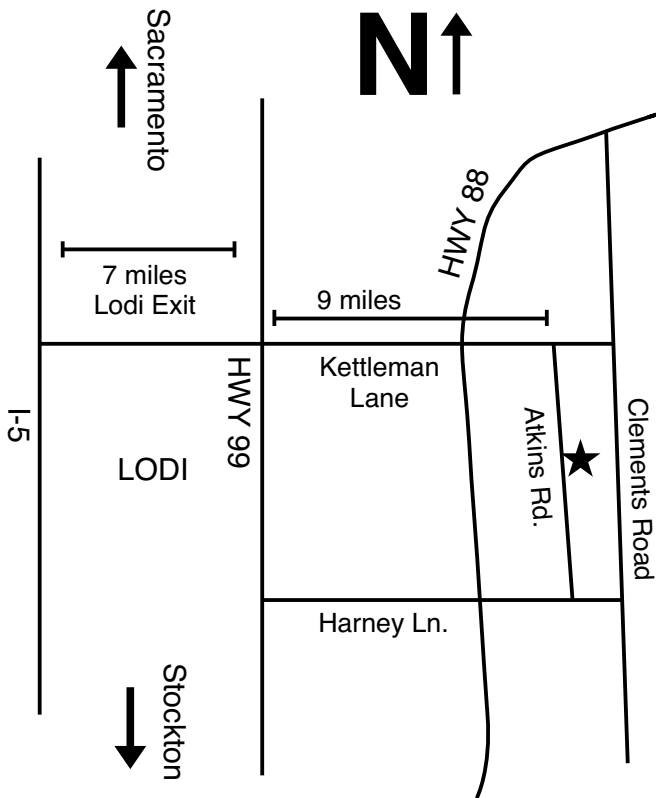

This offering of 69 bulls includes 8 age advantaged bulls for those wanting a little older bull, and 38 open yearling heifers, ready to breed. We are also offering 20 spring bred cows, running ages, that will sell private treaty.

Come to the sale, have a great beef lunch and enjoy visiting with friends, old and new.

The McPhee Family

Terms & Conditions

BIDDING DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision in such matters shall be final.

TERMS: The terms of sale are cash or check, the right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the ranch.

RETAINED INTEREST: Seller reserves the right to keep a breeding interest in any bull so designated in the catalog or during the auction.

PURCHASER'S RISK: Each animal becomes the risk of the buyer as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for free of charge to buyer, until loaded for shipment or until 48 hours after the sale, whichever occurs first.

INSURANCE: Insurance representatives will be present to care for insuring cattle.

CERTIFICATE OF REGISTRY: A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.

HEALTH: Health certificates will be provided for interstate shipment.

ANNOUNCEMENTS: Changes of information contained in this catalog relating to the animals offered for sale will be announced from the auction box and such announcements shall take precedence. Errors discovered in the catalog will be corrected by announcements at sale time and such corrections will take precedence over the printed matter in this catalog.

McPhee Trophy 36 is the breed leading powerhouse that boasts performance, calving ease and loads of muscle all in one stylish package. He was the high selling bull from our 2014 sale for \$25,000 selling into stud at Alta Genetics. Royce chose the opportunity to sell Trophy's highly maternal dam Royce's Sensational 14 at the National Western Stock Show in Denver last January, to finance his college education. We are really impressed with each of his calf crops and are glad to see he is passing along his calving ease and growth, and with it being such a highly maternal line you will want to keep those heifers as replacements too. His daughters are just in production this year and are the prettiest girls in the pasture with beautiful udders. This is the opportunity to get in on proven breed leading genetics. DZA Joe Maker 705 at 10 years old came out of retirement to breed cows, when we had another bull get injured at turnout. Even though we had so many of his daughter's in production, we just couldn't part with him as he always stayed in great condition and was always sound and great structured. It didn't matter if he sired heifers or bulls they all were great performers like him. His daughters are highly maternal females that breed back and bring a calf in every year. The steer calves will bring top dollar at market and are sure to grab the extra premiums with his highly heritable carcass traits.

Royce's Dun Right 44 our young herdsire that packs it all into one stylish eye catching package. It's a rare chance to find a bull that can dominate the show ring and still get out and work. This bull does that and a whole lot more. He offers a complete EPD package across the board. Dun Rights progeny are proving to be performers too, with his entire progeny having 9 EPD's or better averaging in the top 25% of the breed. With their Grid Master and MARB EPD's averaging in the top 6%. He has been used on heifers and cows alike and each set of calves continue to impress. He makes calving seasons so enjoyable to go out and find these thrifty low BW calves that have gotten up and nursed already. This is a young herdsire that has a bright future in our herd and the breeds. He is certainly an impact sire that you can count on his progeny to be profitable.

Royces Crown Royal 57 is a top shelf Bull for sure. This eye catching Bull started out with just a 63 # BW with a -1.5 BW EPD. He ranks in the top 7% for Marb EPD. Crown Royal is wide backed and loaded with muscle and length. When he walked into the ring at the Ca State Fair, the judge commented "Looking at this Red Angus bull makes a cattleman excited about what the Red Angus breed has to offer." He is a ¾ brother to McPhee Trophy 36. His mother is a maternal sister to Royce's Sensational 14, the \$54,000 high selling animal at the 2016 Mile High Classic sale in Denver. This is a strong maternal line with proven performance 3 generations deep. We used him on heifers last fall with great success. Whether keeping replacements or selling steers, Crown Royal will put profit in your pocket.

McPhee Good Deal 4906 is a very good deal indeed. This stylish, smooth made Bull has a strong top line and is a complete package. With a -2.0 BW EPD to a 108 YW EPD and a WW EPD in the top 9% along with a 113 ratio, he has a great balance of performance traits. His sire Rose's Good One 53, was one of Alta Genetics top picks from our 2014 sale, selling for \$10,000. Good Deal 4906 has great testicle development and is ready to work. Don't miss this Good Deal.

McPhee Just Rewarding 4900 is a McPhee Trophy 36 son. Trophy was the highlight of our 2014 sale, selling to Alta Genetics for \$25,000. Trophy progeny are highly sought after, and for a good reason. His daughters are just in production, and certainly have impressed us. Just Rewarding ranks in the top 1% for WW, YW, and CW EPD, and has a Gridmaster EPD in the top 6% of the breed. Give this guy a try, you will be justly rewarded.

McPhee Ace in the Hole is just what you want in your game. He has a 70# BW with a -2.9 BW EPD then a WW ratio of 128, ranking in the top 11%. His sire, McPhee New Revelation 4360, is one of ours and our customers favorite herd sire for many years. He excels in all the economically important traits. Ace in the Hole has loads of muscle and length of body. He comes from a strong maternal line. He is a full sibling to Royce's Sensational 14, the cow that sold for \$54,000 in the 2016 Denver Mile High Classic sale. If he was a heifer like Royce wanted he would never leave the ranch. Lucky for you he was born a bull. Think of the replacements heifers he will make you and the performance that his steer calves will have.

This good looking bull, McPhee Dual Purpose 4910, has it all coming together for a good purpose. With just a modest 78# BW, and a -.8 BW EPD he then explodes and takes off to a 113 WW ratio. He is two bulls in one, plenty of calving ease and plenty of growth. Use him on your heifers and then send him to the cowherd. His sire, McPhee Remarkabull 4669 is a highly maternal sire that packs on the pounds and length of body to his calves.

Red Angus Guide to EPDs

HB HerdBuilder Index – Need bulls for developing a profitable cowherd and maximizing the value of marketed progeny? Select a bull with a high HB value.

GM GridMaster Index – If you market all of your calf crop and want to increase the value of that calf crop, select a bull with a high GM value to maximize your profit.

CED Calving Ease Direct – Breeding Heifers? Select bulls with a high CED to increase the probability that the heifers will calve unassisted.

BW..... Birth Weight – Predicts differences in birth weight. BW is included in the CED EPD, so simplify your decisions by selecting bulls based on CED instead of BW.

WW Weaning Weight and **YW** Yearling Weight – Predicts differences in weight at weaning and yearling. While selection based on these growth measures can increase your payweight, be cautious what the bull's other EPDs are.

Milk Milk – Predicts differences in weaning weight of daughter's progeny due to milk production.

ME Maintenance Energy – Selecting bulls with a lower ME EPD will decrease the amount of feed his daughters will require to maintain body weight.

HPG ... Heifer Pregnancy – Retaining heifers? Select bulls with a high HPG to increase the percentage of exposures that result in a calving observation.

CEM Calving Ease Maternal – Another number to pay attention to if you are retaining heifers. Selecting bulls with a high CEM will increase the probability of those daughters calving unassisted.

STAY Stayability – The most important trait if your goal is developing cows that stay productive, thus increasing your profitability. Bulls that have a high Stay EPD are expected to sire daughters that remain productive in the herd until at least 6 years of age.

MARB .. Marbling Score – Select bulls with high MARB EPD to increase the number of progeny that grade Choice or Prime.

YG Yield Grade – Marketing calves on a grid? Placing selection pressure on YG EPD will decrease the number of YG discounts on grid-marketed progeny.

CW..... Carcass Weight – Selecting bulls with a high CW EPD will increase the weight of the hanging carcass, which directly impacts revenue.

REA Rib Eye Area – Need to add muscle? Select bulls with a high REA EPD to increase rib eye area, which favorably increases Yield Grade.

FAT Backfat – Need to reduce waste in carcasses? Select bulls with a low FAT EPD to reduce backfat, which favorably increases Yield Grade.

Ranch Tested. Rancher Trusted.
